- Feel the benefits of a Daily Practice
- Understand your Nature

This four-part course over one year develops and strengthens practice (Sadhana) through the Seasons. The rhythms of Nature and the Seasons impact upon our experience of daily life and upon our inner landscape.

This is a course about exploring the interrelationship between our inner and outer worlds and the elemental forces which form the foundation of our being.

We invite participants to undertake their personal quest, to connect to and explore their inner nature through in and outdoor practices.

## WHAT IS YOGA ?

Yoga is from the Sanskrit “yug” meaning “union”. It implies the unification of body, mind, and spirit.

Yoga provides a complete system, a truly holistic approach which helps to unite all aspects of your person for a healthier and more fulfilling life.

Yoga seeks to achieve this union and completeness through the following techniques:

**ASANAS** – postures that loosen up joints, strengthen and stretch muscles, improve blood circulation and remove toxins from the body.

**PRANAYAMA** – breathing practices that improve respiratory and heart function and increase energy. This reduces tension and stimulates a sense of aliveness.

**MEDITATION** – various techniques that can slow your heart rate and diminish negative emotions. It induces calmness, joy, clarity of perception and improved memory.

**RELAXATION** – through guided awareness of body and breath. This alleviates deep mental stress leaving us refreshed, positive and clear-headed.

## WHAT TYPE OF YOGA DO WE TEACH ?

We teach Integral Yoga, a blend of classic postures, breathing practices, deep relaxation and meditation techniques.

We also incorporate a broad range of techniques which generate energy (Kriya Yoga), cleanse the physical body (Hatha Yoga) and balance our emotions through music and sound (Bhakti / Nada Yoga).

We aim to teach Yoga that responds to the needs of society.

## PADMASAMBHAVA

in  
Sanskrit  
means place  
where unfolding  
or awakening of  
potential can take place.  
Our aim is  
to guide students  
towards their physical,  
mental & spiritual potential  
through the teaching  
of yoga and  
meditation.

We provide  
an environment  
where everyone can  
relax, grow  
and heal.
